WORK EXPERIENCE

2014 - 2015 → **Freelance Post-Producer** → **Various**

Shepherd videos through the post-production gauntlet. Collaborate with graphic artists, designers, editors, sound engineers, musicians, casting, legal, (you name it), and come out smiling — on time and on budget.

2009 - 2013 → **Producer & Assoc. Creative Director** → **Havas Edge (Integrated Ad Agency)**
Los Angeles, CA

Specialized in the unique art of folding direct response tactics into traditional branding campaigns — a formula that gave clients the biggest bang for their buck.

Brands: Humane Society, MaxClarity, eHealthInsurance.com, St. Jude Children's Hospital, LifeLock, DirectBuy, Cash4Gold

2002 - 2007 → **Project Manager** → **BMC (Real Estate Investment Firm)**
New York, NY

Led marketing efforts on residential and commercial properties, my favorite being Stone Castle Vineyard as it required extensive product evaluation.

2000 - 2002 → **Copywriter** → **Mad Dogs & Englishmen (Ad Agency)**
New York, NY

Wrote print, radio, online and TV copy for an ad boutique known for its wry sense of humor and poorly behaved dogs.

Brands: Atkins, Moviefone, Canadian Club Whiskey, Animal Care & Control NYC

1998 - 2000 → **Assoc. Account Manager** → **D'Arcy (Ad Agency)**
New York, NY

Helped ensure agency output met objectives and strategies and that team kept ahead of client needs. Vigilant attention to detail was the glue that held us together.

Brands: Sprint, Proctor and Gamble (Vicks, Swiffer, Always)
